

SPRINKLER 2023

Summit Supply

We are a third-generation family-owned company established in 1979. We are proud to be the best in the world at customer service and problem solving! Our team at Summit Supply is always willing to learn a new product. Having a strong work ethic, taking initiative and understanding the value of our good reputation is why we succeed at being the best. Our team is reliable and you will find that whenever you need a question answered, we will be here for you, helping you succeed!

Summit Supply's

Culture Traits

1. Willingness to Learn.
2. Take Initiative.
3. Solid Work Ethic.
4. Understand the Value of our Reputation.
5. Reliability.

Our culture is our brand. We value our well earned reputation as problem solvers. That is the business we are in. No matter the obstacle, we will get you options for your next project, without the hassle of logistics. We take care of it all, even after the sale. You will deal with the same account managers who know your town, school or project, and we will be there for you when the time comes. Our superior reputation and reliability is why you can put your trust in the team at Summit Supply.

Summit Supply Manufacturing

We take pride in our service and the quality of our workmanship and instill that to each member of our company. Along with knowledge and over 50+ years of combined experience, Summit Supply Manufacturing is our pride and joy. With impeccable precision and attention to detail, Summit Supply will always stand behind it's work.

**Made in the
USA
Durango, Colorado**

2

We are a small family business with a very tight family-like crew. We all enjoy working hard and laughing with each other. We hope to carry that joy of our job to each of you.

Terms and Conditions of Sale

Due to volatile prices in the supply chain of our products, prices are subject to change without notice.

To Order:	Orders can be placed by phone, email or fax. All prices are FOB Durango, Colorado or manufacturer unless otherwise indicated. Current prices apply at time of shipment unless otherwise quoted. Catalog prices are subject to change without notice.
Terms:	Net 30 days from date of invoice to park and recreation departments, schools and other government agencies. For private organizations we accept prepayment by all major credit cards or check. A 2% per month finance charge will be imposed on all invoices 30 days past the original due date.
Freight:	We ship freight prepaid and add the shipping charges to your invoice unless otherwise agreed. We ship the most convenient and cost-effective way for our customers. All weights listed in catalog are approximate.

Please note that credit card orders will be charged at the time of order placement.

PRODUCT RETURNS

To return products, you must obtain advanced authorization from Summit Supply.

We cannot accept returned merchandise without advanced authorization. A 25% re-stocking fee and return shipping costs are the responsibility of the customer. Summit Supply will not accept returns for products more than one month past their invoice date.

Contractual liability and Contingent liability is specifically excluded on all sales by Summit Supply Corp. of CO.

IMPORTANT MESSAGE: RECEIPT OF SHIPMENT IS CUSTOMER RESPONSIBILITY!

Before signing for your order, check to see that you are receiving the same number of cartons, bundles, welded frames, etc. indicated on the bill of lading. The truck driver must provide this when he makes the delivery. Note any shortages or visible damage on your bill of lading and have the truck driver note these also.

Please inspect your shipment carefully. Damage which is found after you unpack your shipment (concealed damage) must be reported to Summit Supply immediately so that we can assist you in recovering damages and replacements. Most freight companies allow 3 days from receipt to report concealed damage.

If you discover damage of any kind, do not destroy the original shipping cartons.

Otherwise we can assume no responsibility.

SPRINKLER STANDS AND FLOW THRU

All of our sprinkler stands are manufactured with quality materials in house at Summit Supply! All powder coated/ schedule 40 steel pipe. Guaranteed to last for many years!

HOSE REELS

TOWABLE HOSE REEL TRAILER

MODEL JVK-THSC

Summit's self-contained hose reel trailer offers a fresh, clean design and sturdy construction that makes handling the water hose on golf courses and other ground maintenance applications easier, quicker and more convenient.

No need to have a dedicated maintenance vehicle for a water hose or reel. Simply park the trailer when not in use. Pin and clevis type hitch easily mounts to most maintenance (work) vehicles

MODEL JVK-THSC

\$1,625

HOSE STORAGE CAPACITY
UP TO 700' OF 1 1/2" FLAT HOSE

Portable hose storage for:

- ***Industrial maintenance***
- ***Construction***
- ***Agriculture***
- ***Grounds Maintenance***

HOSE STORAGE CART

MODEL JVK-HSC Hose Storage Cart

These hose storage carts are manufactured by Summit Supply using only the finest materials. With an eye bolt brake, hand crank and long lasting HDPE bushings, these units will provide years of problem free service.

YOU CAN RUN WATER THROUGH THE HOSE WHILE ON THE REEL

M2-400

THE M2-400 IS THE ONLY CHOICE WHEN YOU NEED THE EASIEST, MOST EFFICIENT SOLUTION FOR SPRINKLING LARGE GRASSY AREAS. MANUFACTURED BY SUMMIT SUPPLY.

- With 400 feet of 1 1/2" hose, the M2-400 Hose Reel Sprinkler fits in very nicely where budgets are not large enough to include installed irrigation systems.
- Moves are 100 foot at a time for overlapping circles.
- Large 160 foot diameter sprinkled circle @ 65 PSI with 37 GPM.
- Light weight and easy to handle, it can be taken in and stored at night to prevent vandalism.
- Hose Reel Sprinklers can be operated from your existing water system, from a fire hydrant or from a pond or stream with a gasoline or electric pump. Water line size in your existing system should be 1 1/2" minimum.
- Standard adapters are available to attach to all types of water connections.

\$1,999

EASY TO USE

Baseball Fields • Football Fields • Golf Courses • Parks • Cemeteries • Horse Arenas • Soccer Fields • Softball Fields

- **EASILY LOADED PORTABLE AT ONLY 160 POUNDS**
- **ELIMINATE VANDALISM BY KEEPING IT INSIDE AT NIGHT.**

ACCESSORIES

MODEL A-1
1 1/2" THREAD VALVE QUICK COUPLER PACKAGE
screws into any 1 1/2" pipe thread. \$42

MODEL N-1
FIRE HOSE NOZZLE WITH QUICK COUPLER PACKAGE
FOR 1 1/2" HOSE. \$55

MODEL FHW
FIRE HYDRANT WRENCH
\$44

MODEL F-1
FIRE HYDRANT ADAPTER WITH 1 1/2" SHUT OFF VALVE
AND QUICK COUPLER PACKAGE FOR 1 1/2" HOSE.
Adapts from 2 1/2" F.H.T. to 1 1/2" quick connect
\$67

With up to 1000 feet of 2 1/2" hose storage, The Magnum-1000 Sprinkler fits in very nicely where budgets are not large enough to include installed irrigation systems.

Big Gun Sprinkler- 302' diameter @ 70 PSI with 177 G.P.M. puts the water down right where you want it.

Easy to use, 100' hose sections just snap it on and turn the water on.

The Magnum-1000 sprinkler can be operated from a fire hydrant. This nearly always has the desired pressure and G.P.M. to make the Magnum perform. If using your existing system, a 4" line is preferred.

Model #	Hose Length	
MAGNUM-1000	300'	\$4,400
MAGNUM-1000	400'	\$4,900
MAGNUM-1000	500'	\$5,400
MAGNUM-1000	600'	\$5,900
MAGNUM-1000	700'	\$6,600
MAGNUM-1000	800'	\$7,100
MAGNUM-1000	900'	\$7,800
MAGNUM-1000	1000'	\$8,300

THE MAGNUM-1000 WITH A #100 GUN & .85 NOZZLE AT 70 PSI COVERS A 302' DIAMETER. THIS GIVES AN EFFECTIVE APPLICATION RATE OF .27 INCHES PER HOUR OR ALMOST 1 INCH IN 3 HOURS.

Manufactured by Summit Supply.

MAGNUM-1000

MAGNUM-1000 STANDARD EQUIPMENT:

- 300 feet of hose with QC couplers
- 3 hose reels - more can be added
- Ball bearing mounted reel
- Series 100 full circle Big Gun
- Outriggers to prevent "walking"
- Tension brake to prevent free spooling
- 2" ball hitch & tongue jack.
- 5" x 16" pneumatic tires & roller bearings.

ACCESSORIES

MODEL F-2

Your water
solution
specialist.

- Only 2 sets are needed to water a complete football field.
- Only needs 45 psi and 19 GPM per set
- Each pod will give 80' diameter
- Low sprinkler height means less wind draft and effective water distribution pattern.
- Mimics natural rainfall allowing for efficient soil absorption and less runoff
- Small droplet size means less soil compaction

IRRIPOD

IRRIPOD 5 IRRIGATION KIT

Includes

- 300' of 1.5" Irripod tube,
- 5 pods,
- 5 saddles,
- 5 sprinklers with 3 sets of nozzles each, and all fittings required.

All that is needed is a 1.5" MPT water supply connection.

IRRIPOD RANCH PACK
WITH ALL THE FITTINGS LISTED

\$1,775

Another brilliant feature is the towing capabilities. Attach Irripod's Tow Rope to any hitch and drag along coordinated routes.
